

Registration Dues, Fees, and Other Information

- MLAC families are responsible for payment of yearly dues and the following fees: Allegheny Mountain Swimming, Family Membership, Youth Sports Alliance, and Fundraising deposits.
- MLAC dues are for the entire year which begins in September and ends in August. You do not have the option of paying for only part of the season.
- Note the change in the first payment from prior years. This year, the first payment amount is specified rather than calculated as you register based on your own family registrations. This will eliminate some confusion in calculating the amount due. For example, if you have one Novice and one Junior swimming in your family, your initial payment would be $\$400 + \$200 = \$600$.
- A payment plan is offered for the convenience of MLAC families. The first payment is due September 17 and the remaining balance will be split between two invoices with payments due November 1st and February 1st. Payments more than 30 days late will result in swimmers not being permitted to participate in practices, meets, or other MLAC activities until all past due balances have been satisfied. The following defines fees and dues for MLAC

Group	Total Dues	First Payment Due Sept. 17
Senior Group	\$1,155	\$ 500
Junior Group	\$ 785	\$ 400
Age Group II	\$ 580	\$ 300
Age Group I	\$ 525	\$ 200
Novice Group	\$ 475	\$ 200
New Swimmers – Unassigned TBD *		\$ 200

* New families will be informed of dues once swimmer is placed in group by coaching staff.

Multiple Swimmer Discount (Highest to Lowest Group) Note: Multiple Swimmer Discounts apply to group dues only. Fees, t-shirts, fund raising, and family membership DO NOT qualify for the discount. Multiple Swimmer Discounts will be applied to subsequent invoices. Do not make these adjustments for first payment.

One Swimmer	100% due
Two Swimmers	20% off second swimmer
Three Swimmers	30% off third swimmer
Four Swimmers	40% off fourth swimmer

Fees

Allegheny Mountain Swimming Fee	\$ 58 per swimmer
Youth Sports Alliance Fee	\$ 5 per swimmer
Fundraising Deposit	\$ 250 per family
Family Membership	\$ 120 per family

- If a swimmer drops out of MLAC and yearly dues have not been paid in full, the swimmer may not be reinstated until all of the following conditions have been met:
 - 1) Swimmer passes a tryout given by the coaching staff;
 - 2) All past dues are paid;
 - 3) Next season's dues are paid in advance. Also until the amount due is satisfied, no member of the swimmer's immediate family may participate in any MLAC sponsored activities including but not limited to Learn to Swim and Piranha Summer Swim Team.
- A refund may be given only in the event of medical excuse or a move out of town. All refunds require approval of the MLAC Board of Directors.
- The Family Membership Fee (or portion thereof) may be refunded at the end of the swimming year. The refund is earned by working at MLAC-sponsored or approved meets. The fee will be deducted from the next year's Family Membership Fee or refunded if a swimmer drops out of the club, upon request.
- The Fundraising Deposit will be collected at the beginning of the season. The deposit may be earned back by participating in MLAC fundraising activities and will be credited to the swimmer next year or refunded if a swimmer drops out of the club, upon request.
- • All families are required to maintain a positive balance in a separate meet entry account that is used for entry fees at each AMS meet. An initial deposit of \$50.00 per swimmer is due upon joining MLAC. The meet entry account is a separate account from your dues and fees. MLAC pays meet entry fees for your swimmer(s) in advance and the payment is deducted from your Meet Entry Account balance. Swimmers will not be entered in a meet if there are insufficient funds in your account.
- MLAC is a non-profit organization. All work is performed by parents of swimmers working in committees on a voluntary basis. Your help is needed to make our organization successful.
- Additional information is provided in the MLAC Handbook which can be downloaded from the Registration Page.
